Meet the New Executive Director

October
Volume 1, Issue 1

Dan Foley comes to us with more than 30 years of experience in non-profit work and most recently was ...vice president at the YMCA of Dane County. His extensive experience with non-profits, including his strong financial and administrative background will bring the reenergizing and new focus of Neighborhood House to the next level.

The board of directors is excited to have Dan on board and we look forward to working with him in our goal to serve

our friends, neighbors and the greater Madison Community. Dan will be instrumental in working our programming, fundraising and our strategic positioning plan, which is currently underway at the center and is due to be completed at the end of this month.

Dan succeeds Greenbush Neighborhood resident **Kate MacCrimmon**, the interim acting executive director, who has done an excellent job in the past six months of administering center operations and connecting with neighbors. Kate has

stepped down to spend time with family, and focus on her education. We are confident that Kate will continue to be a strong presence at the center and we are extremely appreciative of her service.

Please stop by the center and introduce yourself to Dan so that he may become better acquainted with the friends and neighbors in the area.

Dan can be reached at the following email address:
dan.foley@neighborhoodhousemadison.org
Or by calling the center at 255-5337
